Article 1: This contract of seasonal rental is reserved for the exclusive use of the renting of our rental house La clé des falaises located in Plouezec. This contract is valid in France and according to French legislation.

Article 2 - Duration of the stay: The tenant who signs this contract for a fixed period may not under any circumstances claim any right to remain in the premises at the end of the stay.

Article 3 - Conclusion of the contract: The reservation becomes effective as soon as the Tenant has sent the owner a deposit of 30% of the total amount of the rental and a copy of the contract signed before the date indicated on the first page of the contract. A second copy is to be kept by the tenant.

The lease concluded between the parties to this deed may in no case benefit even partially to third parties, natural or legal persons, except with the written agreement of the owner.

Any breach of the latter paragraph may result in the immediate termination of the tenancy to the detriment of the Tenant, with the proceeds of the tenancy remaining permanently with the Landlord.

Article 4 - Absence of withdrawal: For bookings made by post, telephone or via the Internet, the Hirer does not benefit from the withdrawal period, in accordance with article L121-20-4 of the French Consumer Code relating in particular to the provision of accommodation services supplied on a specific date or at a specific time.

Article 5 - Cancellation by the tenant: Any cancellation must be notified by registered letter to the owner.

a) Cancellation before arrival without having found a successor: The deposit (30%) remains with the owner if the cancellation occurs less than 30 days before the planned date of entry into the premises. The owner is entitled to claim 70% of the amount if the cancellation occurs less than 15 days before the planned date of entry into the premises. The owner may ask for the balance (100%) of the amount of the stay if the tenant does not show up on the date of arrival indicated on the contract: the present contract becomes null and void and the owner may dispose of his gite.

b) If the stay is shortened, the price of the rental remains with the owner. No refund will be made.

Article 6 - Cancellation by the owner in case of force majeure: the owner will pay the tenant the total amount already paid.
